

## List of Local Priority Species for Scotland (2008) relevant to Cree Valley Woodlands

*This list is currently under review.*

<b>Common Name</b>	<b>Latin Name</b>	<b>Status</b>	<b>Location</b>
<b>Lichens</b>			
Sap Groove lichen	<b>Bacidia incompta</b>	<b>UKBAP/ SBL</b>	Garlies wood
A lichen	<b>Peltigera collina</b>	<b>SBL</b>	Stroan, Garlies wood, High Camer
A lichen	<b>Stenocybe septata</b>	<b>SBL</b>	Glentool oak woods
A lichen	<b>Sticta limbata</b>	<b>SBL</b>	Glentool oak woods, Stroan, Garlies wood
Tree lungwort lichen	<b>Lobaria pulmonaria</b>	<b>SBL</b>	Garlies wood
A lichen	<b>Menegazzia terebrata</b>	<b>SBL</b>	Glentool oak woods
A lichen	<b>Parmeliella triptophylla</b>	<b>SBL</b>	Garlies wood
A lichen	<b>Sticta fuliginosa</b>	<b>SBL</b>	Glentool oak woods, Stroan, Garlies wood
A lichen	<b>Sticta sylvatica</b>	<b>SBL</b>	High Camer, Stroan, Garlies wood, Holm wood
<b>Vascular plants &amp; ferns</b>			
Wilson's Filmy fern	<b>Hymenophyllum wilsonii</b>	<b>UKBAP</b>	Glentool oak woods, Wood of Cree
Globeflower	<b>Trollius europaeus</b>	<b>UKBAP</b>	Wood of Cree wetlands
Bluebell	<b>Hyacinthoides non scripta</b>	<b>UKBAP/ SBL</b>	All woodlands 
<b>Invertebrates</b>			
Azure Hawker	<b>Aeshna caerulea</b>	<b>UKBAP</b>	Glentool oak woods, riparian areas of Cree valley
Variable Damselfly	<b>Coenagrion pulchellum</b>	<b>UKBAP</b>	All areas of standing water

<b>Common Name</b>	<b>Latin Name</b>	<b>Status</b>	<b>Location</b>
Small Pearl bordered Fritillary	<b>Boloria selene</b>	<b>SBL</b>	All woodlands 
Argent and Sable Moth	<b>Rheumaptera hastata</b>	<b>UKBAP/ SBL</b>	High Camer, open areas containing birch and bog myrtle
<b>Fish</b>			
Atlantic Salmon	<b>Salmo salar</b>	<b>SBL</b>	Cree valley
River Lamprey	<b>Lampetra fluviatilis</b>	<b>SBL</b>	Cree Valley
European eel	<b>Anguilla anguilla</b>	<b>SBL</b>	Cree Valley
<b>Birds</b>			
Common kestrel	<b>Falco tinnunculus</b>	<b>SBL</b>	Cree Valley
Black Grouse	<b>Tetrao tetrix</b>	<b>UKBAP/ SBL</b>	Occasionally in Water of Trool site at the Holm, also small lek on open the moorland of Barclye
Barn Owl	<b>Tyto alba</b>	<b>SBL</b>	High Camer, Wood of Cree, Holm wood
Spotted flycatcher	<b>Muscicapa striata</b>	<b>UKBAP/ SBL</b>	Caldons, Wood of Cree, Garlies
Siskin	<b>Carduelis spinus</b>	<b>SBL</b>	Knockman, High Camer, Wood of Cree
Lesser Redpoll	<b>Carduelis cabaret</b>	<b>UKBAP</b>	High Camer, Caldons
Yellowhammer	<b>Emberiza citronella</b>	<b>UKBAP</b>	Knockman and Garlies adjacent open wood pasture, Glentool oak wood (Buchan and Glenhead)
Golden Eagle	<b>Aquila chrysaetos</b>	<b>SBL</b>	Regular winter visitor to Knockman and Barclye
Woodcock	<b>Scolopax rusticola</b>	<b>SBL</b>	Wood of Cree, Knockman, Minnoch, Water of Trool
Kingfisher	<b>Alcedo atthis</b>	<b>SBL</b>	Riparian area Cree valley
Skylark	<b>Alauda arvensis</b>	<b>UKBAP/ SBL</b>	Wood of Cree, Minnoch and Water of Trool
Song Thrush	<b>Turdus philomelos</b>	<b>UKBAP/ SBL</b>	Cree Valley woodlands
Wood Warbler	<b>Phylloscopus sibilatrix</b>	<b>SBL</b>	Abundant Wood of Cree, present in most woodlands
Willow Tit	<b>Poecile montanus</b>	<b>SBL</b>	High Camer (2 pairs), Wood of Cree, Glentool oak woods (Caldons)
Common Starling	<b>Sturnus vulgaris</b>		Garlies, Knockman, Wood of Cree

<b>Common Name</b>	<b>Latin Name</b>	<b>Status</b>	<b>Location</b>
Linnet	<b>Carduelis cannabina</b>	<b>UKBAP/ SBL</b>	High Camer open area, moorland fringe area Wood of Cree, Knockman
Bullfinch	<b>Pyrrhula pyrrhula</b>	<b>UKBAP/ SBL</b>	High Camer, Knockman, Wood of Cree
Reed Bunting	<b>Emberiza schoeniclus</b>	<b>UKBAP/ SBL</b>	High Camer open area, Wood of Cree, Knockman
<b>Reptiles</b>			
Adder	<b>Vipera berus</b>		High Camer Open area, Minnoch, Water of Trool, Glentool Oak Woods
<b>Mammals</b>			
Water Vole	<b>Arvicola terrestris</b>	<b>UKBAP/ SBL</b>	Good populations at the Minnoch and Holm wood.
Common pipistrelle	<b>Pipistrellus pipistrellus</b>	<b>SBL/EPS</b>	Knockman, Wood of Cree, High Camer, Minnoch, Glentool Oak woods
Brown Long eared bat	<b>Plecotus auritus</b>	<b>SBL/EPS</b>	Knockman, Wood of Cree
Noctule bat	<b>Nyctalus noctula</b>	<b>SBL/EPS</b>	Lower Cree Valley
Red Squirrel	<b>Sciuris vulgaris</b>	<b>UKBAP/ SBL</b>	All woodlands, high number of dreys in High Camer
Brown Hare	<b>Lepus europaeus</b>	<b>UKBAP/ SBL</b>	Lower Cree Valley
Otter	<b>Lutra lutra</b>	<b>UKBAP/ SBL/EPS</b>	Present throughout the Cree valley, numerous holts on Minnoch
Daubenton's bat	<b>Myotis daubentonii</b>	<b>SBL/EPS</b>	Abundant throughout the riparian area of Cree Valley
Natterer's bat	<b>Myotis nattereri</b>	<b>SBL/EPS</b>	Small population south of Wood of Cree
Leisler's Bat	<b>Nyctalus leisleri</b>	<b>EPS</b>	Resident at Wood of Cree, Minnoch, Glentool oak woods (Buchan and  Caldons)
